Dear Mr. Dickenson:

I want to thank you very much for your letter of 22 September and let you know that I have put down Friday, 11 November, as the date to address the All-American Conference to Combat Communism and the Kansas City Association for International Relations and Trade.

As I told Mr. Stevenson, I cannot predict what may be happening in the world between now and then, but unless prevented by unforeseen developments, I shall attend with great pleasure. Your thoughtfulness in asking me to join you and Mr. Stevenson on this particular occasion is indeed appreciated.

With kindest regards,

Sincerely,
